

# Annual Report of Colored Supervising Industrial Teacher.

Prof. Geo. D. Brown, Jr., County Superintendent of Education.

Hon. Sir: I hereby submit to you the following report of colored supervising industrial teacher of Newberry county for the term ending May 1, 1914.

Starting out in October 1 located all of the negro schools in the county, visited each school and district and enrolled the names of all the colored trustees.

After the schools began to open I started out again on my mission. On entering each schoolhouse a copy of the 14 lessons that were given me were placed in the hands of the teachers with the understanding that they would be taught.

These lessons were as follows: (1) Cleanliness. (2) Politeness. (3) Obedience to law. (4) Respect for officers of the law. (5) Sanitation in school and home. (6) The value of work. (7) The value of a contract. (8) To respect the property of others. (9) To refrain from gambling. (10) The virtue of chastity. (11) To tell the truth. (12) To condemn crime and the criminal. (13) The value of friendly co-operation with the white man. (14) The danger of whiskey, cigarettes and cocaine.

Afterwards I began teaching industrial training; the boys were taught to make axe handles, plow beams, baskets, etc. The girls were taught sewing and how to do general house work. This was continued until it was taught in all of the negro schools of the county.

The conditions of our people have been better and this year more than ever before and they have put forth better efforts. Among the 59 schools of the county more than 40 observed "clean up day." Fifty-five were represented at the fair, 15 school houses were repaired, 18 school terms were lengthened by private subscription, several have white washed the trees and other surroundings, 3 houses have been white washed, several school improvement associations have been organized, the names of 37 boys have been enrolled on our corn club and the girls are preparing to can fruit and vegetables.

Enough maps of the United States and South Carolina together with pictures, the drafting of the declaration of independence were given me by Prof. Brown to supply all the schools of the county.

The number of teachers in the county is 61, 12 male, 49 female. No of teachers holding first grade certificates, 42; number holding second grade, 7; number of schools in the county, 59; number visited by supervisor, 59; the average length of school term, 33-10 months; number school houses repaired, 15; number terms lengthened, 18; amount of money raised for school improvements, \$553.80.

We thank our many friends, white and colored for having assisted us along this line. With great respect, I remain, your obedient servant,

Ulyses S. Gailman,  
Colored Supervising Teacher.

## LEAP FROM BUGGY

Mrs. Lonnie Redd is Killed Near Aiken—On Way to Her Home.

The State.

Aiken, May 21.—Jumping from a buggy when the horse her husband was driving early this afternoon became frightened and ran away. Mrs. Lonnie Redd, who lives near Aiken, was instantly killed. Her head struck the ground and her neck was broken. Mrs. Redd had been to Aiken with her husband and when their shopping was done they started to return home. Just below the city they passed a friend in another buggy and playfully Mr. Redd struck at him with the buggy whip. Mr. Redd's horse became frightened at the swish of the whip and started to run. Mr. Redd was unable to control the animal for the reason that the bridle bits broke. He told Mrs. Redd to jump, and as she did so she was thrown heavily to the ground. Death was instantaneous. The accident occurred on the Montmorenci road two miles from the city, shortly after 1 o'clock.

It was at first reported that an automobile frightened the horse, but that was erroneous.

Before her marriage to Mr. Redd the dead woman was Mrs. Hamp Woodward. Her first husband was killed by a train in 1908 between Aiken and Montmorenci, not far from where she met her tragic death this afternoon.

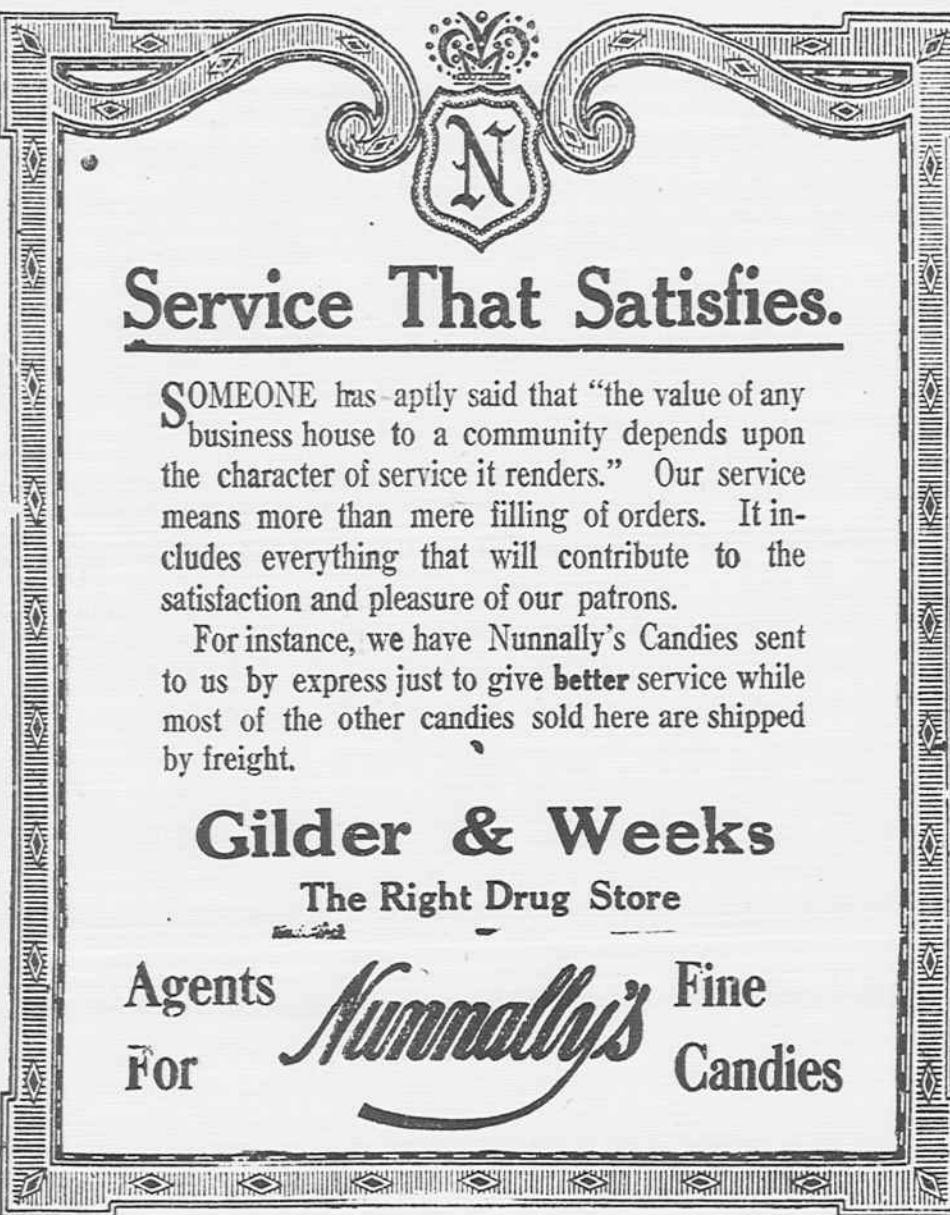

Coroner Spradley held an inquest over the remains this afternoon.

## CHICHESTER'S PILLS

## TO HEAD COKER COLLEGE

Dr. Howard Lee Jones, of Charleston, Accepts College Presidency.

The State.

Hartsville, May 24.—A telegram received this afternoon by J. J. Lawton, secretary of the board of trustees of Coker college, from the Rev. Howard Lee Jones, D. D., pastor of the Citadel Square Baptist church, of Charleston, states that he resigned as pastor of that church today and will become president of Coker college, beginning his duties at the college on June 15.

Dr. Jones will succeed Dr. A. J. Hall, who resigned as president a few weeks ago. Mr. Lawton informed Dr. Jones of his election while in Nashville last week in attendance upon the Southern Baptist convention.

While general regret is felt over the resignation of Dr. Hall who has accomplished a great work and under whose three years' administration the college has gone forward at a satisfactory pace, the news that Dr. Jones will succeed him is received with genuine delight by the faculty, student body and by all the citizens of the town.

He conducted a series of meetings here a year ago and was present at a Baptist banquet here on the night of December 31. The visit have endeared him to all hearts, and his coming, it is felt, will mean much toward the continued advancement of Coker college and the community.

## To Prevent Blood Poisoning

Apply at once the wonderful old reliable DR. PORTER'S ANTI-SEPTIC HEALING OIL, a sure dressing that relieves pain and hastens recovery. No Notchment. 10c, 25c, 50c.

## CONWAY LUMBER PLANT BURNS

Fire Loss Estimated at \$75,000 With \$46,300 Insurance—Will Rebuild At Once.

News and Courier.

Conway, May 24.—The Conway Lumber company's plant in South Conway was partially destroyed by fire this afternoon, entailing a loss of \$75,000, with \$46,300 insurance. Fire broke out in the fire room of the saw mill about 12:30 p. m., and within a few minutes was beyond control. The local fire company responded to the alarm quickly and thus saved the planing mills and the large stock of lumber in the yard from destruction. The fire engine was stationed on the banks of the Waccamaw river, near the burning plant, and the ladders worked heroically and with excellent results for several hours. The nine dry kilns of the company and the lumber therein were destroyed, the old saw mill, together with the new one, which was in process of construction, were consumed by the conflagration.

Mr. H. W. Ambrose, the manager of the company, when seen by your correspondent, stated that the mills would be rebuilt, and that work on them would begin shortly.

## Pleasure and Protection

"One of the best reasons why I would not be without telephone service," writes a Georgia farmer, "is the pleasure it gives my wife and the knowledge that while I am away, she has the protection that the telephone gives."

On the farm the telephone dispels loneliness and is the means of bringing help in any emergency that may arise.

If you haven't a telephone on your farm see the nearest Bell Telephone Manager or write for our free booklet and learn how little this service costs.

## NOTICE ON ELECTION IN O'NEAL DISTRICT NO. 16.

Whereas, one-third of the resident electors and a like proportion of the resident freeholders of the age or 21 years, of O'Neal school district No. 16, of the county of Newberry State of South Carolina, have filed a petition with the County Board of Education of Newberry County, South Carolina, petitioning and requesting that an election be held in said school district on the question of levying a special annual tax of two mills to be collected on the property located in the said school district.

Now, therefore, the undersigned, composing the County Board of Education for Newberry County, South Carolina, do hereby order the Board of Trustees of the O'Neal School District No. 16, to hold an election on the said question of levying a two mill tax to be collected on the property located in the said school district, which said election shall be held at O'Neal

school house, in said school district No. 16, on Saturday, June 13th, 1914, at which said election the polls shall be opened at 7 a. m. and closed at 4 p. m. The members of the board of trustees of said school district shall act as managers of said election. Only such electors as reside in said school district and return real or personal property for taxation, and who exhibit their tax receipts and registration certificates as required in general elections, shall be allowed to vote. Electors favoring the repeal of such tax shall cast a ballot containing the word "Yes" written or printed thereon, and each elector opposed to repealing such tax shall cast a ballot containing the word "No" written or printed thereon.

Given under our hands and seal on May 23, 1914.

Geo. D. Brown,  
S. J. Derrick,  
J. S. Wheeler,  
County Board of Education for Newberry County, S. C.

## "THE GREATEST KIDNEY REMEDY ON EARTH," SAYS A GRATEFUL WOMAN.

I want to tell you how much good your Swamp-Root did me. About four years ago. I suffered from what the doctors called fistula and for two years of that time, I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctors medicines without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root.

After giving it a thorough trial, I received relief, so kept on using it and today I am a strong and well woman. If I ever feel badly or out of sorts, I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I think Dr. Kilmer's Swamp-Root is one of the greatest medicines on earth.

Respectfully yours,  
Mrs. John Bailly,  
West Main St. Portland, Ind.

Subscribed and sworn to before me this 12th day of July, 1909.

C. A. Bennett,  
Notary Public.

Letter to  
Dr. Kilmer & Co.,  
Binghamton, N. Y.

## Prove What Swamp-Root Will Do For You.

Send 10 cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention The Herald and News, Newberry, S. C. Regular 50 cent and \$1.00 size bottles for sale at all drug stores.
